If you're looking for the "perfect getaway", try the *Historic* [Mill Race Inn](#).

Charlie and George Roumeliotis have an award winning, *Zagat* rated, one of a kind, diamond in the rough. After owning *Horwath's* i for 26 years this Father and Son *duo* have mastered the hospitality and service of a *Traditional Historic Landmark Restaurant*.

The family is such a big influence in the care and quality of this restaurant. From *George's* son, *Antonios*, to his beautiful daughters, *Electra*. *Charlie's* wife (*George's* Mother), *Athena*, is a huge influence as well.

Located in picturesque *Geneva, IL* on the corner of Route 38 and Route 25, sitting directly on a "dream property" next to the serene *Fo park*, you will indulge in Continental-American Cuisine.

The peaceful and relaxing outside **Gazebo** is a treat for an outdoor romantic lunch or dinner. You may bring your family and enjoy the p straight up the walkway to the beautiful **Gazebo**, or the inside dining rooms.

While having a casual lunch or dinner in the **Gazebo**, ask for any of the fine servers, *Dena Connolly*, *Alicia Matz*, or *Bill Lamberis*, the professional and they know the menu inside and out. From the **Grilled Blackened Tilapia Sandwich** to the Savory **Prime Sirloin Ste** you will be in heaven. On the light side, the **Cajun Chicken Caesar Salad** is a big hit.

Depending on your preference, choose from one of the other three dining rooms, the **Main Dining Room**, **Mallards**, or **Duck Inn**.

Each of the special dining rooms bring something different to the [Mill Race Inn](#). **Mallards** is a unique and special space seating up to 700. The room is built of traditional post and beam. For a wedding, or a corporate event, this room is a perfect setting. *Margie Piemonte* will help party or banquet without a hitch. The **Duck Inn** offers a very casual and fun atmosphere, with games and TV, if you want to have a con to watch a good sporting event.

The **Duck Inn** and **Mallards** Dining Rooms are for 'Special Events' only.

The history and story about this "Historic Landmark" alone brings people to [The Mill Race Inn](#) from all over the world.

Although there have been many faces of [Mill Race Inn](#), since 2004 *Charlie* and *George* have managed to make this the most wonderfu and dine in *Geneva*.

While sitting in the lovely "Dining Room", you may feast upon one of the best "Oyster Rockefeller" dishes I have ever eaten. Or, try i **Calamari**". For an entree' the "Filet of Beef Tenderloin au Poivre" a classic flavor of cracked peppercorn and melted bleu cheese v deep-fried leeks, stuffed potato and fresh vegetable medley, is one of my all time favorites from [Mill Race Inn](#). The "Pecan Crusted V angel hair pasta, and . There is absolutely nothing more perfect. If you like Veal, the "Veal Dorothea", with sauteed medallions of vea shrimp, two jumbo scallops, mushrooms, scallions, white wine, and a touch of garlic, oven-baked with de jonghe butter. Served with v and fresh vegetable medley, will blow you away.

Try the "Signature Grecian Lamb Chops", another suggestion for your main course. They are magnificent and could not be served w presentation. With a *French-cut and mint jelly, wild rice and fresh vegetable medley*, I was in heaven.

The [Mill Race Inn](#) has several menu selections to choose from, a one time visit to this restaurant is just not enough.

The desserts alone, will make your mouth water. My favorite is the **Warm Cobbler** with different fruit to choose from. I enjoyed the **Blu** however, the **Cherry** and **Peach** are also out of this world. Let *Pastry Chef, Lori Manuel* treat you to one of her many specialities.

If you enjoy a beautiful Brunch, **Mill Race Inn** according to the "*Chicago Tribune*", has the "*Best in the West*".

Mill Race Inn does have a huge following, however, they do accept walk-in guests. If you'd like to make a reservation (suggested) talk sweet and personable hostess', *Gina, Natalie, or Chrystal*.

In the "Dining Room" my favorite servers are, *Mary, Jodie, and Liz* to name a few.

You will most likely see a celebrity when dining at **Mill Race Inn**, they have been known to travel distances to eat at this fine establishr

Don't miss out on a fantastic dining experience. Whether you're just in the mood to be casual or dress up. **Mill Race Inn** is a must!

I cannot understand why you're still sitting here reading this.

Now GO, GO enjoy **Mill Race Inn**, in *Geneva, IL* and please tell them Debra sent you!
